

Pedestal Fan

LV16S-RA-P

PRODUCT FLYER

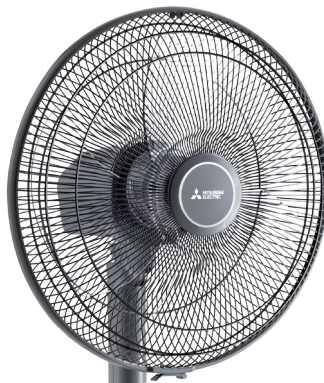

The new Mitsubishi Electric LV16S-RA-P Slim Pedestal Fan provides a strong and comfortable airflow to keep you cool this summer. It features a convenient remote control, up to 8 hours on/off timer and rhythm mode that replicates a natural breeze.

Rhythm Mode

The three rhythm modes replicate a natural breeze by varying the airflow speed.

Crystal Blade Design

The crystal 3-blades design shields the concealed motor from dust particles.

Convenient Remote Control

Allows you to adjust the speed, set up a timer, or customise the swing and rhythm to your comfort.

Features
