A Life More Electric

MSZ-EF Series

The streamlined wall mounted indoor units have contemporary clean lines, expressing sophistication and quality. Available in three stylish colours natural white, matte silver and glossy black to provide the best match scenario for diverse interior designs.

Nano Platinum Filter

The Nano Platinum Deodorising Filter reduces airborne bacteria while improving air quality. The optional Electrostatic Anti-Allergy Enzyme Filter assists in the reduction of common allergens.*1

Quiet Operation

The “Quiet” fan speed setting ensures super quiet operation at 21dB(A)*3. Perfect for the bedroom; it’s so quiet you’ll check to see if it’s on.

Built-In Wi-Fi Control*2

Unlock the door to smarter heating and cooling systems, for total home comfort. Connecting your Mitsubishi Electric air conditioner to your smartphone, tablet or online account, gives you the freedom to control each unit on-the-go via an internet connection from anywhere in the world.

Econo Cool Operation

A one touch setting to enable swing airflow that makes you feel cooler than fixed direction airflow. The set temperature and the airflow direction are automatically adjusted by the microprocessor.
